

Kawartha Field Naturalists

NEWSLETTER

No 1 / 84

This is our first newsletter to keep you informed of the club's activities for the upcoming fall and winter season.

A hearty welcome to our new members - we hope they will be able to take part and enjoy. Get ready for an exciting fall program :

- bus trip to Presqu'ile Provincial Park
- our new club crests
- excellent speakers at our meetings
- lots of films and slideshows
- fall and winter fieldtrips (snowshoes/x-country ski)
- christmas bird count etc.

The board of directors have made arrangements with "Travelways" for a bus trip to Presqu'ile Prov. Park on Sunday, Sept. 16th at 8 a.m.

The bus will leave from the parking lot behind the Municipal Bldg. at 8 a.m. sharp as there are two more stops to pick up people in Lindsay (coop parking lot near hwy. 7 and 35) and Omeeme (hwy. 7, Burkes Honey). Please bring your own lunches as there are picnic areas in the park. We also could stop at Peterboro on the way home - at Ponderosa or a similar eating place but this will depend on your response. This question might be answered at our next indoor meeting Sept. 10th at 7.30 p.m. in Fenelon Falls (Recreation Center).

Please fill out your application form and mail it as soon as possible (bus seats only 40 people - first come first served). All bus money must be in by Aug. 31st, for further information please contact Cliff Taylor (program director, 887-6598) or Herman Milke at 887-2834 (after five).

The club crests have been ordered and we expect them to be here for our next indoor meeting on Sept. 10th at 7.30 p.m.

The crests will be blue on white, circular design, with our heron in the middle and our club name around it. Price approx. 1.50 Dollar each.

Our very next outdoor activity is a overnight camping at the Ken Reid Conservation Area on McLarens creek on Aug. 11 th. If you are interested to watch osprey teach their young all they need to know and other wildlife as well (canoeing), please call Herman at 887-2834.

We are looking forward to an excellent year of indoor and outdoor activities in the 1984/85 season. We are planning to have :

- Mr. Elmer Tretheway - flowers, wild and cultured
 - Mrs. Hazel Bird - the bluebird expert
 - Mr. Geoff. Carpenter - one of the top ten birders in Canada
- and many other speakers on all the other aspects of our natural environment and its protection. We hope to arrange an evening of slides by our own club members.

Don't forget Sunday Sept. 16 th, 1984
 Municipal parking lot in Fenelon Falls
 bus leaves at 8 a. m.
 Price 8.- Dollar per person

----- ✂ -----

date Naturalists bus trip to Presqu'ile Provincial Park
